

SCOTIA UNION SCHOOL DISTRICT

Student Leader/Athletic Contract

Student Name

Dear Parent/Guardian,

Participation in athletics is a privilege and an honor. Student athletes are representatives of Scotia Union Elementary School and therefore are expected to be positive examples. The student athlete will exhibit this positive behavior at school during athletic events and in the community. The privilege of participation may be revoked when a student athlete fails or refuses to comply with the rules.

Your son/daughter is now a student athlete at Scotia Union Elementary School. As a student athlete they have the opportunity to receive certain privileges that other students not engaged in athletics do not receive. Among those privileges are taking local trips, participation in events/games with students from other schools, and representing Scotia Elementary School.

Eligibility Requirements

1. A student athlete will consider events/games as only a part of their education and will do their best to achieve success in the classroom as well.
2. If a student athlete misses a practice/meeting for any reason, (s)he must contact the coach/advisor or the principal before the time they miss the session.
3. A student athlete must attend school on the day of a practice/game/meeting in order to participate. The student may not attend the event if (s)he misses school that day.
4. As a representative of Scotia Elementary School, a student athlete must be a good citizen of the community and must not be involved in any activities that are considered to be destructive, disruptive, or disrespectful to the community.
5. Student athletes will not use or possess any illegal substances, including tobacco, vapes, and alcohol.
6. Student leaders/athletes must maintain a minimum grade point average of 2.0 prior to joining the student government/athletic team. Failure to do so will make the student ineligible to participate. An "F" grade in any subject automatically disqualifies the student from participation.

Violation of Eligibility Requirements

1. Disciplinary action will be taken at the discretion of the teacher/coach/advisor and administrator.
2. Parents will be notified of any rule violations which involve their students.

We have read the eligibility requirements and consequences, and agree to abide by them.
