

THE BEAR FACTS

Scotia Union School District Monthly Newsletter/February, 2019

Interdistrict agreement requests are due now. If you live outside the Scotia Union School District, please make sure to turn in an interdistrict agreement request to the school in your district of residence. We are proud and honored to have so many wonderful students from outside our district boundaries as part of the Scotia School Family!

If you or someone you know plans to enroll a child in transitional kindergarten or kindergarten in the fall, please call Miss Trudi in the office. In order to qualify for kindergarten, a child must turn 5 by September 1. We offer transitional kindergarten for 4 year olds who will turn 5 by December 2.

The Redwoods Rural Health Center Mobile Dental Clinic is at the school! If you would like an appointment for your child(ren), please call the school for paperwork. Any questions? Please call the office 764-2212.

The LCAP is a critical part of the Local Control Funding Formula (LCFF). School districts must engage parents, staff, and the community to establish the LCAP. You can find our current LCAP on our website. More information on the LCFF funding model can be found at: <http://www.cde.ca.gov/fg/oa/lc/lcffffaq.asp> The District is interested in seeking input from you, the parents of our students. Please consider attending one of our stakeholders input meetings. If you cannot attend a meeting, feel free to call, email, or stop by to talk to Mrs. Gossien to give your input regarding how we spend our school dollars.
