Scotia Union School District Monthly Newsletter/January, 2021

Happy Holidays!

The students and staff enjoyed the busy month of December! Though we had to make changes to traditional holiday activities this year, classes were still able to participate in many activities including:

food drive door decorating contest Grinch hunt popcorn & movie
class parties schoolwide sing along dress up day "Scrooge" play
staff storytime "Celebration of Learning" highlighting our music program

We hope you are able to enjoy some relaxing time with family over the break. Please help us remain open to in person instruction after the Winter Break. If you travel or attend large gatherings without taking COVID safety precautions, please plan to keep your children home for 14 calendar days after the event or your trip in order to keep our students, staff, and families safe. Contact your child's teacher to set up a short term independent study if you will be needing to keep your student at home after the Winter Break.
