Hello Scotia Families-

I hope this letter finds you doing well. Please know that the entire staff truly misses your children!

Along with this letter, there is a link to staff members' "office hours" - times they have set to check in with and help students through virtual meetings (or phone calls for those who do not have internet access). These learning opportunities will begin the week of March 30.

Staff will be emailing your student's school email account (2nd - 8th grade students) or contacting parents (TK - 1st grade students) with more information. If you have additional questions, please email your child's teacher or myself. You can also call the school with any questions. If no one is available to answer the school phone, please listen to the voicemail greeting. It includes my home phone number if you need immediate attention.

Thank you to all families for your support, and for picking up your child's work each Wednesday.

Below are details regarding this Wednesday's work pick up:

TK-5th Grades

As with last week, staff will be in front of the school 8:30-9:00 and 12:00-12:30 to hand out work packets.

Completed work will again be turned in to "Return Work Here" boxes.

If you need to pick up work during a different time, the work packets will be in front of the office.

6th-8th Grades

There will be NO new work distributed until April 8th.

Work from the first two weeks is due April 1st (online or to the school).

Take Care, and please contact me with any questions or concerns.
